City Council

The City Council took the following actions at their Aug. 1, 2016 meeting:

- The City Council held a public hearing and approved an application for an off-sale

Night to Unite neighborhood events on Tuesday, August 2, 2016. A record-breaking 80 registered parties were held around the City. This all-time high included 16 new Shoreview events. In block party fashion, neighbors spent the evening having dinner together, taking part in fun activities and getting to know each other. They also had a chance to meet with public safety personnel from the Ramsey County Sheriff's Office and Lake Johanna Fire Department, as well as local elected officials and some local businesses.

The Ramsey County Sheriff's Office, in collaboration with the Minnesota Crime Prevention Association and AAA of Minnesota/Iowa, once again sponsored Night to Unite to build and foster community bonds between citizens, businesses and public safety organizations.
